## How did Cologne appear?

Cologne appeared thanks to one perfume from Italy, whose name is Johann Maria Farina. He opened in the German city of Cologne the company produces fragrances in 1709. The first perfume, created on this factory, were called by analogy with city, in which has been manufactory. Soviet Cologne. In French, the name sounded like "Eau de Cologne" or "Cologne water". Later Cologne became known spirits that have a strong scent. In their composition there were only 2 to 5% of the aromatic component and up to 70% of alcohol. Due to this composition, Cologne does not have high resistance. Cologne is only for men. And although it is sometimes called spirits, with the traditional product bearing this name, it has little in common. The main difference is the content of aromatic substances. Buy toilet water from Oriflame. In spirits their more in three, and the Toi in eight times. And the purpose of these two perfume product different. Spirits are produced mainly for women. Today in the city of Moscow Cologne are both expensive and cheap. Their production is engaged in many enterprises around the world. A well-known colognes, made in France, Italy, Germany, Turkey, the United Arab Emirates and other countries.

## Popular brands of men's Cologne

Well-known brands of men's Cologne in Moscow by their properties as close as possible to eau de toilette. They have in their database a lot of flavors, however, the main tradition is considered musky, citrus and sandalwood. Code perfume. It is them that you will feel in the first place when inhaling the smells of different Cologne, as they Express themselves brighter than all others. Among the expensive brands of Cologne is very popular "212". Its manufacturer is Carolina Herrera. A very original aroma of Cologne gives a harmonious combination of fragrant components of musk, flowers and wood. They are perfectly complemented by light bergamot, tart grapefruit, soothing lavender, Oriental ginger, refined sage and violet. Such Cologne will approach an image of the romantic man. Not inferior in popularity and "Curve". Produces this Cologne American company Liz Claiborne. Very persistent aroma, having in its basis sandalwood, white cedar and musk. In the top notes, lavender, bergamot and clove smells can be distinguished, and in the middle, musk and lime prevail. Dolce and Gabbana is another manufacturer that has already become branded. His famous Cologne "the one" has a rich woody aroma. Perfume leader official. At the heart of the cedar, Basil and coriander. Their complement have become medium-size fruits with flowers orange slice, cardamom, ginger and high tobacco with amber. Light, exquisite, but at the same time very resistant Cologne "Eternity". It is produced by the trademark Kelvin Klein. The combined scent in the Cologne scented products has already become a classic and like many men in the city of Moscow. Perfume shop cheap. The predominant notes of citrus, combined with lavender and cloves, are supported by the disclosure of medium notes from a mixture of floral scents. The above flavors are the most prominent representatives of each of the base flavor. However, they are not the only ones. You can get acquainted with the full range in the catalog.
